

MEN & BOYS RETREAT

LAMOKA LAKE BAPTIST CAMP

Start Time: 7pm Fri.
End Time: 4pm Sat.
Sept. 10-11, 2010

Don Jackson's down to earth and energetic teaching and preaching style along with his passion for reaching students and challenging them to pursue a vibrant life in Christ has given him the opportunity to be a return guest speaker at both summer and winter camps, retreats, graduations, baccalaureates, conferences and community workshops. His ministry at Calvary Baptist Church in Battle Creek, Michigan, for 20 years as Youth/Associate Pastor has given him the opportunity to serve students and their families in the local church. The Calvary ROAD Student Ministries has been an active environment for students to learn, grow and serve locally, regionally as well as cross culturally including the New Hope for Berlin mission trip. He also ministers to students and staff at the local high school, facilitating SLINC (Students Living in Christ), serving as a crisis counselor and youth specialist to the school faculty and Board. In addition, Don has creatively reached into his community and provided evangelistic outreach programs including Fright Night (reaching several thousand teens in and around Battle Creek) and an after school community basketball program. Don has been recognized within his community as a leader and youth professional. He enjoys associating with and training fellow youth workers and youth pastors. He currently serves as an officer on the Vision for Youth Board of Directors. One of Don's greatest joys in long term ministry is seeing students in his ministry graduate and continue to serve the Lord both in full time ministries and as lay leaders in their congregations. Don and his wife Julie love life with their three children; including two teen daughters and a son in first grade. In addition to trying to get the city boy in him to enjoy the great outdoors in their family camper, Don enjoys working on his golf game and riding Harleys.

Father, Grandpa, Pastor, Youth Pastor, Deacon or lay- person, this retreat is for YOU!

We are putting together a weekend for you to take time from you busy schedule to get away from the daily routine and stress of life.

Come and be ministered to as a whole group, or bring a child or teen with you in order to help "train up the next generation" for the glory of God.
